

Open Positions

Polaris Capital Markets is a Co-op of the financial trading industry. First of its kind. What this means is that each and every one of you, be it a partner or a client, service provider or a contractor, or just a trader who wants to speculate on the financial markets, is a full and equal part of the company, just like its CEO.

Polaris is on a constant lookout for help in various areas.

Services needed:

- IT technicians
- Security experts
- Finance professionals
- Sales executives

Benefits include:

- Participation in company share scheme, part ownership and quarterly dividends¹
- Marketing budget and revenue share opportunities
- Equity stake in overall Polaris Capital Markets business
- Access to dividend payouts on a quarterly basis

Contact us today with your CV and Cover Letter at:

partners@polaris-markets.com

¹ Quarterly dividends will be paid out on all company profits
